What We Are Learning!

Literacy- Begin learning about the correct way to answer comprehension questions. If it is a non fiction book they will have to state the main idea and three details from the book to support the main idea. If it is a fiction book they will have to explain what happened in the beginning, middle, and end of the story. You can practice these questions at home when doing your nightly reading.

Math- Begin learning how to complete addition sentences up to 10.

Social Studies: We are learning about maps and map skills..

Important Events

- Field Trip to Marbles 7th
- Early Release 8th
- Parent Literacy Night 12th
- Field Trip to play at NC State 26th

Classroom Needs

We could use a few more chaperones for our field trip to Marbles. If you have completed your background check and would like to go please let me know.

Please make sure you have sent in an extra set of winter clothes for your child to have in case of an emergency. Please tell them to leave them in their cubbies. If there is an accident we will send the dirty clothes home in a bag. Please resend in clothes the next day to keep in cubby. If we have sent your child home with clothes from the office please wash them and send them back so we can return them to the office. Ask your child if they need new crayons. Some are down to just a few colors left in their pencil pouch. Thank you!!

Ms. Ingalls
